---

Dear Jeff:

It gives me a great deal of pleasure to advise you that on November 23, 2017 in response to a recommendation from Dwayne Mayr, Chair of the Alberta Common Ground Alliance’s Training Standards Committee, full endorsement of the “Astec Safety Ground Disturbance 201” Online training program as meeting ABCGA’s Ground Disturbance 201 Standard was granted by Action of the Board of the ABCGA.

We appreciate the dedication and hard work that goes into meeting this assessment and endorsement as the process is rigorous. Thank you for your patience, and working with the ABCGA to achieve this result.

Attached to this transmittal email are 3 ABCGA policies that relate to the use of the ABCGA name, acronym and logo and to the identification of endorsed training providers.

- Use of the ABCGA Name, Acronym and Logo Policy, Issue 2.0, 2017-01-10
- General Logo Use Guidelines, Issue 1.0, 2017-01-10
