*A minimum \$350/month on a 1 year contract needed for access to Safety Essentials Course Subscription.

~ New courses are added to the course subscriptions regularly. Contact a member of the Customer Care team for the most up to date listing.

Subscription Includes the Learning Management System

As a part of the Complete Safety Course Subscription you have access to an enterprise-level learning management system (LMS) that includes:

- ✓ The ability to assign your employees their required training
- ✓ The opportunity to complete training online anywhere with internet
- ✓ A robust exam engine, SCORM 1.2 and 2004 compatibility
- ✓ An integrated eCommerce store, and course permission
- ✓ A design built for companies with strong safety training needs

Reporting and Automatic Notifications

Excel-compatible data management and reporting creates seamless communication between the BILStrainer software and the spreadsheet files currently used by your various departments.

View online report dashboards and receive automated notifications for topics such as:

- ✓ Training About to Expire and Learning Gap Analysis
- ✓ Number of Course Completions by each of your Team Members
- ✓ Location Specific Reports for your various Offices and Job Sites
- ✓ Risk Analysis Based on Hazard Assessments and Site Audits
- ✓ And Much More
